Dear Head,

Calling 999 for an Ambulance, a guide for Education

Following a recent Coroners court hearing, the Coroner has asked that the SWAST guidance on calling 999 for an ambulance be shared with all educational establishments across our geographical area. The aim of the guidance is to help and support education staff when calling 999 in order to achieve an appropriate and timely response.

Please display appropriately within your education setting.

If you would like further information on this please contact me on 07779 083168 or email chris.rogers@swast.nhs.uk

Yours faithfully
